

One-Piece Design:
All you need is your imagination

the original Fortamajig™

build any space anywhere!

Fabric

The Fortamajig's nylon ripstop fabric is durable, water resistant, and machine washable.

24 Outer Adjustable Loops

Outer loops are made of adjustable stretchy material that can be opened and attached to almost anything.

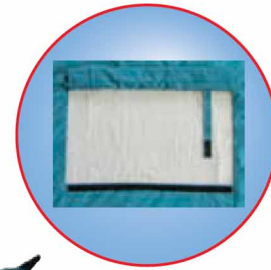

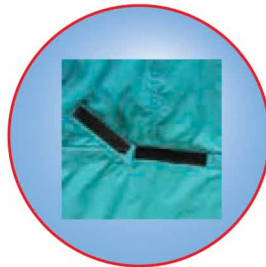

Attach loops to anything stable!

- Chair Backs • Door Knobs
- Stair Rails • Headboards
- Tree Branches • Fence Posts
- You Name It!

• 6 extension loops included for maximum flexibility

9 Adjustable Inner Loops

Create walls instantly using these Patent Pending inner loops.

Window

Window can be secured to roll up or lay flat. Comes with mesh lining to allow for visibility while still maintaining structure.

4 Corner Pockets

Parents will love the function - Kids will love the fun! Outside, simply place an object, such as a shoe or a handful of sand in any 9x9" pocket to keep walls stationary. Kids can store their treasure!

Door

Door flaps can be secured open to create an entryway or closed to build a wall.

All Rolled Up!

Extremely portable and storable, the Fortamajig folds into less than 1 square foot.
